JOINT SPORTS CENTRE

Re-open of Joint Sports Centre on 16 October 2023

We are pleased to inform you that the facilities at the Joint Sports Centre (JSC) will resume and be available for use on 16 October 2023 (Monday).

Despite the adverse weather conditions in the past month, the project consultant and the main contractor have made every effort to complete the remaining outdoor works. Now, all the facilities in the JSC, except for the multiple-purpose court*, are accessible and ready for use starting from 16 October 2023 (Monday). You may also access your university's booking system to reserve JSC's venues up to 7 days in advance.

Please note that the main contractor may need to carry out defect rectification works in JSC. Proper protection and safety measures will be provided in the affected areas. You are advised to pay attention to the notice on-site and follow the instructions from JSC's staff when using the facilities.

Should you have any questions or need further assistance, please do not hesitate to contact our duty staff at 2794 1168. We look forward to welcoming you back to enjoy the JSC facilities.

* The multi-purpose court is reserved for teaching activities and sports team trainings for the time being. The booking of the multi-purpose court will be opened after the defect rectification works and line markings in the multi-purpose court are completed. Please pay attention to the update in the booking systems.
