

ISE Open Innovation Challenge 2023

January 31st - February 8th, 2023 | Barcelona

B2B hybrid event

Rise Up, Reimagine and Ignite the Future by joining us at the #ISEB2B!

ISE Open Innovation Challenge 2023 is a B2B international meetings event where 9 corporations are looking for new technologies/solutions providers. Participants can choose to have physical meetings, online meetings or both.

Physical meetings will take place in the **venue of ISE Congress in Barcelona on January 31st to February 2nd, 2023**. We will provide a pass to all participants joining our event.

Online meetings will be held on **February 7th and 8th**.

Why participate?

- To connect with **9 Catalan corporations looking for new technologies/solutions**
- To get your personalised **B2B agenda** according to your interests & availability
- Because the ISE Open Innovation Challenge 2023 is **free of charge**

The participation is free of charge. In addition, we will provide a pass to ISE congresses for participants with physical meetings. **Remember that you can always participate 100% online, meaning all your meetings will be held online.**

ISE topics 2023
